This is a response to the petition under 37 CFR 1.59(b), filed October 4, 2002, to expunge information from the above identified application. The application has now been abandoned and the petition may be reconsidered.

Petitioner requests that a documents submitted as a Proprietary Information Disclosure Statement under a court Protective Order be expunged from the record. Petitioner states either: (A) that the information contains trade secret material, proprietary material and/or material that is subject to a protective order which has not been made public; or (B) that the information submitted was unintentionally submitted and the failure to obtain its return would cause irreparable harm to the party who submitted the information or to the party in interest on whose behalf the information was submitted, and the information has not otherwise been made public. The petition fee set forth in 37 CFR 1.17(h) has been paid.

As the application has been abandoned the decision on the petition to expunge can now be granted.
